

MLK Day of Service Environmental Justice Project

- ❖ Reduce Asthma
- ❖ Protect your Family's Health
- ❖ Avoid Toxic Chemicals

Are you sick and tired of being overrun with pests in your home and over-exposed to pesticides? It's not just your problem – a safe and secure home is an environmental justice issue. We CAN do something about it!

Receive training in **Integrated Pest Management (IPM)** and learn how to safely and effectively manage pests in your home and advocate for a healthy community.

When: MLK Day, Monday, January 21st from 8:45am to 1pm

Where: Germantown High School at Germantown Avenue and High Street (entrance on High St., room TBA)

How: Register for this workshop and service project by calling 215-843-5600 ext.105 or emailing aguarneri@nim-phila.org.

SIGN UP NOW and receive a kit with tools for less-toxic pest management and green cleaning products!
