Keynote Address

“Visioning Generation Next”

Child care providers are foundational in the development of the next generation. By celebrating the significant contributions they make, we can begin to understand the powerful role they play in shaping the future.

Jennifer Gleeson Blue

Founder and president of *Get There From Here*

specializes in coaching people on living authentically through the myriad transitions that arise in life.

Through a compassionate and lively approach, Jennifer empowers her clients to create inspired, sustainable and authentic lives. She is a graduate of Coach

University, a member of the International Coach Federation and serves on the Executive Board of the Philadelphia Area Coaches Alliance. Jennifer also

Time: 8:00 am-3:00 pm

Holy Family University

College Center

9801 Frankford Avenue

Philadelphia, Pa 19114

Session A Workshops

A1. Music Around the World K2C1 Discover the world through music and interactive movement activities.

A2. Art in the Classroom K2C2 Learn different ways to incorporate art into your lesson plans with fun activities presented by the Philadelphia Museum of Art Education Center staff.

A3. Learning Through Play K2C1 Explore a child's world of play through fun, developmentally appropriate activities that offer endless learning opportunities for young children.

A4. ¡Protege Su Hogar, Su Centro y Su Salud! K7C2 Nadie quiere hablar de las cucarachas, ratones y otras plagas aunque provoquen alergias, asma y otras irritaciones respiratorias – especialmente en los niños pequeños. Aprendemos a identificar, detectar y controlar las plagas sin usar pesticidas, rociadores y otros métodos tóxicos. ¡Protege su centro, su hogar y su salud!

A5 Creating a Sustainable Vision for Your Life and Work K6C2 Participants will be equipped with tools to examine the big picture of their lives and create an inspiring and supportive vision for their future. Issues of work/life balance, motivation and goal setting will be addressed.

A6 Planifica el Aprendizaje K2C2 Obtener estrategia, idea y consejo el la planificacion del curriculo para promover el aprendizaje atraves del juego.

Session B Workshops

B1. Music Around the World K2C2 Discover the world through music and interactive movement activities.

B2. Learning Through Art K2C2 Learn different ways to incorporate art into your lesson plans with fun activities presented by the Philadelphia Museum of Art Education Center staff.

B3. Learning Through Play K2C2 Explore fun activities that offer endless learning opportunities for young children.

B4. Protect Your Home, Your Center and Your Health! K7C2 Nobody wants to talk about cockroaches, rats and other pests although they can provoke allergies, asthma and other respiratory problems – especially in young children. We'll learn to identify, detect and control pests without using toxic pesticides and sprays. Protect your home, your center and your health!

A5 Creating a Sustainable Vision for Your Life and Work K6C2 Participants will be equipped with tools to examine the big picture of their lives and create an inspiring and supportive vision for their future. Issues of work/life balance, motivation and goal setting will be addressed.

A6 A6 Planifica el Aprendizaje K2C2 Obtener estrategia, idea y consejo el la planificacion del curriculo para promover el aprendizaje atraves del juego.
